

# National Social Science Journal/ National Social Science Technology Journal Submission Guidelines

The National Social Science Journal and National Social Science Technology Journal are the blind refereed journals of the Association. Submissions to the National Social Science Journal include articles dealing with teaching and research which covers all of the social sciences. Submissions to the National Social Science Technology Journal include articles related primarily to technology. All papers can be submitted electronically to the National Social Science Association email address: [natsocsci@aol.com](mailto:natsocsci@aol.com)

Your submission must follow the following guidelines:

1. A title page with title of article, author/authors, and school affiliation. Nothing else on the title page. Type style is Arial font –16 point.
2. No more than 20-24 pages of **double-spaced** text with Ariel font in 12 point type, with 1 inch margins and full justification.
3. All footnotes and other supporting material must go at the end of the text.
4. Style of paper should follow APA style guidelines or other well accepted guidelines. Style should be consistent within paper.
5. Do **NOT** paginate any of the text.
6. Submission of the article is done totally electronically; do not mail the article or a CD. Email will confirm receipt of the article.

Submission to the national journal(s) include a one-time \$25 submission fee. This fee can be paid by check (send regular mail) or by filling in the credit card information below and submitting this form via fax, or regular mail, or email.
